

# WOMEN OF PURPOSE

## A Winter Prayer Retreat

*Winter . . . a time when things appear to be dead, but actually a time when trees are anchored, resting and ready, drawing strength from stored nutrients, and growing inwardly resilient so they can withstand the harsh weather.*

*Winter . . . a season for trust, patience and hope of new, stronger life to come.*

**Women of Purpose warmly invites you to  
join us for a fellowship of worship and prayer.**

*Come and adore him who came into this bleak, hard-as-iron earth!  
Come and put your roots deep in his truth.  
Come, give him your heart anew, invite him to reshape it with his humility,  
trust him to empower your prayers with his own life.*

**Saturday, January 14, 2012\*  
9:00 am to 2:00 pm**

At World Concern, on the CRISTA Campus
